Once he sees his own inner workings, life unfolds in a different manner. He will do anything to capture the love of his "angel." Unfortunately, his old life and the shibboleths of the ton stand in his way. As he wades through these afflictions, Sophie is courted by another man. Who will she choose? How can he possibly show his love for her in a way as original and unique as she is? What are Sophie's feelings for him?
