Never A Dull Moment: Teaching and the Art of Performance (Feminism Takes Center Stage) Jyl Lynn Felman

Teachers are really performers, classrooms are stages, and students the captivated audience. In beautiful prose, Felman invites us to watch her one woman show on the art of performance in today's classrooms. These essays take on the greatest hits of the academy: identity politics, sexual harrassment, academic censorship, and radical pedagogy. Felman's book is a performance not to be missed.
