Talk Sporty To Me: Thinking Outside the Box Scores Jen Mueller

From the author of 'Game Time', Talk Sporty to Me furthers the conversation of using Sports as a bridge to build personal and professional relationships. Sports is the language of business. Like it or not, a 30-second sports conversation can open more doors and connect you with a larger audience than your resume. Talent and skill are important, but the ability to communicate and connect with others plays a significant role in your success. The greatest ideas and the best inventions will go unnoticed and unused if you can't tell the world – or worse – no one listens when you try. This book demonstrates how sports conversations and sports fandom will get you noticed, connected and communicating more effectively. Add that up and you're looking at more opportunities and greater successes.
