Alone with Others: An Existential Approach to Buddhism (Grove Press Eastern Philosophy and Literature) Stephen Batchelor

This uniquely contemporary guide to understanding the timeless message of Buddhism, and in particular its relevance in actual human relations, was inspired by Shantideva's 'Guide To The Bodhisattva's Way Of Life', which the author translated into English, the oral instructions of living Buddhist masters, Heidegger's classic 'Being and Time', and the writings of the Christian theologians Paul Tillich and John MacQuarrie.
