## **Bang Bang, You're Dead** John Stockmyer

Not another occult case! On the other hand, that's the kind of work a lowly PI like Big Bob Zapolska had to expect. (It was his connection to "out of this world" specialist, Jamie Stewart, that got him mixed up in this kind of weirdness, the Z-man determined to dump sexy Jamie-when he could find the time.) For now, she'd blackmailed him into helping her check out "ghost lights" in the trees. For an encore, would no doubt have him shadowing witches in the woods! Complicating his life were the usual problems with his gorgeous girlfriend, Susan. Plus his recent chance to "renew acquaintances" with a former, high school football groupie, Glenda Cunningham. (To say not a single, "jailbait" word about the assault on Z's virtue by a teenage sorceress!) Nor did it help that Police Lieutenant Addison was pressuring Z to baby-sit a politically sensitive haunted house; that a Mafia thug had moved in above Z's apartment; or that Z was being plagued by mysteriously appearing animals. All these difficulties to be added to routine problems with Fluffy-of-the-air-ducts: the Z-man's savage, never-to-be-seen cat. P.S. Not to forget multiple murders-senseless killings sure to add interest to an unlicensed gumshoe's humdrum life.
