Instant Karma (Spanish Edition) Wendy Davies

**¿Se puede amar lo diferente?**

**Una novela enternecedora, mágica, un amor puro que te conquistará.**

¿Alguna vez te has sentido solo a pesar de estar rodeado de gente? ¿Tan diferente como un gato en un mundo de perros?

Rin se siente así todo el tiempo. Como si viviera en un mundo al que no pertenece, como si los demás hablaran en un idioma que él no es capaz de comprender y como si fingir fuera la única manera de encajar. Por eso, a veces, sin moverse del sitio, viaja a su pequeño planeta donde todo es circular, tan diminuto como el asteroide B612 e igual de recóndito. Allí todo es como debería ser, no necesita a nadie más.

Cuando Via irrumpe en su planeta llevada por el karma, arrasando con toda lógica y estabilidad, Rin piensa que se trata de un huracán de categoría cinco. Pero lo que Rin no sabe es que de las peores catástrofes pueden surgir los mejores milagros. Y es que a veces no es necesario ser etiquetado de diferente para serlo.

Dos piezas destinadas a no encajar, de puzles distintos, acabarán formando una imagen nueva donde la única regla es que no hay reglas.

***Instant karma* es un libro tierno que toma como referente *El Principito* para hablar de lo que realmente importa, aquello que es invisible a los ojos, y que explora la diferencia como punto de partida para descubrir el amor.**
