Nearly a year has passed since the events in the Tomb of Anubis, and just when things in Michael's life are presumably getting back to normal, a series of strange attacks against the Belmont family sends life spiraling out of control once again. An unknown force of darkness is eagerly seeking the Sword of Van Helsing, a relic held by Michael's father. The weapon may be the one thing capable of returning Dracula to power, but it may also be the key to destroying his evil influence for good. Soon Michael finds himself in a quest to recruit the rightful heir of Abraham Van Helsing, and to get him and the sword to Dracula's Castle- before it's too late.
