## **Facilities Planning and Relocation (RSMeans)** David D. Owen

A complete system for determining space needs and managing a facility move, contractors, and suppliers, this book is an A-Z working guide – complete with the checklists, schematic diagrams and questionnaires you need. It takes you through every stage of the relocation process, from determining an organization's needs to the actual move and evaluation of the new set-up... showing what questions you need to ask, what decisions you need to make, and who's responsible for what, when.

Here's just a sample of what's covered...

- Getting started
- Who's in charge
- Scheduling and budgets
- Design
- Installation, move, and post-occupancy

This book's author won the IFMA Distinguished Author of the Year Award for his work on this publication.
