#### **Candace Mathieu:**

People live in this new moment of lifestyle always make an effort to and must have the extra time or they will get lot of stress from both daily life and work. So , when we ask do people have extra time, we will say absolutely sure. People is human not only a robot. Then we request again, what kind of activity are there when the spare time coming to you actually of course your answer may unlimited right. Then do you try this one, reading publications. It can be your alternative in spending your spare time, typically the book you have read will be People First!: The School Leader's Guide to Building and Cultivating Relationships with Teachers.

#### **Ian Hall:**

As a student exactly feel bored to reading. If their teacher inquired them to go to the library or make summary for some guide, they are complained. Just very little students that has reading's heart or real their passion. They just do what the instructor want, like asked to go to the library. They go to right now there but nothing reading critically. Any students feel that reading through is not important, boring and also can't see

colorful photos on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore this People First!: The School Leader's Guide to Building and Cultivating Relationships with Teachers can make you truly feel more interested to read.
