Soul-Healing Love Dr. Tom Rodgers, Dr. Beverly Rodgers

I highly endorse the Rodgers speaking and writing ministry. Les Parrott, Founder and Director of the Center for Real Relationships, Professor of Clinical Psychology Seattle Pacific University. The Rodgers are passionate about love healing the soul because they have experienced themselves. Their story is one of being healed by the love of God and their marriage being healed as they chose to heal each other's soul with love. Consequently, their passion for healed marriages is the focus of their lives and ministry. This reader-friendly book, with its theoretical and spiritual integrity, exudes hope for couples. Dr. Freda V. Crews, LPC Host, Time for Hope TV and Dean, International University for Graduate Studies School of Christian Counseling There are so many approaches to marriage and so many books about how to do it, yet the Rodgers stand out and get rave reviews when compared to the rest. That's because they offer an optimistic, joyful approach based on easy-to-understand, easy-to-apply, practical steps for creating the soul-mate marriages we all dream about. Diane Sollee, MSW, Founder and Director of SmartMarriages and the Coalition for Marriage and Family, and Couples Education
