The History of Browning Firearms David Miller

The History of Browning Firearms is a captivating and wonderfully illustrated chronicle of one of the most influential and legendary names in gun smithing history.

Browning inherited his father's gun making shop and developed it into a highly successful business that developed several iconic firearms including the Colt Peacemaker. Browning also cooperated with Winchester to develop a whole range of small arms including semi-automatic pistols, single-shot rifles, repeater rifles, and machine guns.

The History of Browning Firearms makes a perfect addition to the libraries of Wild West buffs and firearms enthusiasts.
