THE ILIAD

Volume 1 of the Greek mythology children's e-book series by 'ek publishing' and 'Stephanidi Publications', based on the original Greek myths.

This ancient tale of a war when gods and men fought side by side begins on a river bank in Greece. Seeing a young queen bathing, Zeus, ruler of the gods, transforms himself into a swan and enfolds the lovely girl in his great wings. She later lays an egg that hatches not into a bird but into the loveliest creature in the world: Helen of Troy, the woman with the face that launched a thousand ships. Given in marriage to Menelaus, king of Sparta, Helen is soon seduced by Paris, a handsome prince of Troy who carries her to his home across the sea. A great Greek fleet sets sail to rescue her and nine long years of bloody war begin. This story brings to life the deeds of heroes: Achilles and the Trojan Hector, fierce Diomedes, the giant Ajax, Agamemnon and Ulysses – names whose glory has echoed down the centuries. It is a tale the poet Homer heard close on three thousand years ago, creating from ancient legend one of the greatest epics ever written.

With 35 original illustrations by the acclaimed Greek artist Yannis Stephanides.
