## **World War I: A Short History (2nd Edition)** Michael J. Lyons

With unusual clarity and "from the trenches" insights, this book explores in detail the complexities of the origins, course, and momentous effects of World War I. It focuses not only on the grand scale of the war, but on its everyday realities for the common soldier and the civilian populations on the Western, Eastern, and other fronts. Explores the military and *non-military* aspects of the War and its causes. Synthesizes various analyses and interpretations of the many *controversies* of the war. Includes insights from the most recent literature on the role of women in the conflict; the war in the air; the Armenian Genocide; the assassination of Archduke Francis Ferdinand; Total War and the Home Fronts. Contains a graphic, in-depth account of the appalling existence of soldiers at the front -- including not only the horrors of battle, but the oppressive psychological impact of life in the trenches. Features a large number of maps and lively biographical sketches of important figures. For anyone interested in World War I, Military History, 20th Century Europe.

### **From reader reviews:**

#### **James Hopwood:**

Information is provisions for people to get better life, information these days can get by anyone at everywhere. The information can be a understanding or any news even restricted. What people must be consider when those information which is inside former life are hard to be find than now is taking seriously which one is suitable to believe or which one the actual resource are convinced. If you get the unstable resource then you buy it as your main information there will be huge disadvantage for you. All those possibilities will not happen inside you if you take World War I: A Short History (2nd Edition) as your daily resource information.

#### **Katherine Shadrick:**

Playing with family inside a park, coming to see the coastal world or hanging out with pals is thing that usually you may have done when you have spare time, then why you don't try factor that really opposite from that. One particular activity that make you not sense tired but still relaxing, trilling like on roller coaster you have been ride on and with addition associated with. Even you love World War I: A Short History (2nd Edition), it is possible to enjoy both. It is excellent combination right, you still desire to miss it? What kind of hang type is it? Oh can occur its mind hangout guys. What? Still don't understand it, oh come on its named reading friends.

#### **Concepcion Shaw:**

Are you kind of occupied person, only have 10 or even 15 minute in your day time to upgrading your mind talent or thinking skill possibly analytical thinking? Then you are experiencing problem with the book when compared with can satisfy your short time to read it because pretty much everything time you only find publication that need more time to be read.
