If you could sit down with the Dalai Lama and talk with him about anything, what would you discuss? Fabien Ouaki, a prominent French businessman, was granted such an opportunity and asked the Dalai Lama for his thoughts on the everyday issues that fill our newspapers and our lives. This is the record of these varied and remarkable conversations.

Covered are a wide spectrum of topics - political, social, personal and spiritual - including the media and education, marriage and sex, and disarmament and compassion. Blessed by His Holiness' buoyant and insightful thoughts, *Imagine All the People* allows readers to glimpse the spontaneous workings of an extraordinary mind at once of - and above - this world.

Includes the full text of *The Global Community and the Need for Universal Responsibility*.
