The Sabbatical Mentor: A Practical Guide to Successful Sabbaticals Kenneth J. Zahorski

Based on extensive research and practical experience, The Sabbatical Mentor is an ideal resource for faculty, departmental chairs, administrators, and faculty developers who believe the sabbatical is the ideal occasion for significant professional growth. From history, purpose and benefits, through the pre-leave, leave, and return periods, this book: * divides the sabbatical into five distinct stages, offering specific advice for moving through each stage * offers practical suggestions for making the entire sabbatical experience more productive, satisfying, enriching, and enjoyable * offers administrators specific strategies they can use to support, promote, administer, and evaluate these programs * includes a wealth of bibliographic references on the sabbatical * provides an extensive list of resources on time management, granting agencies, fellowships, and grant proposal writing * includes an appendix of sample applications and reports from a variety of institutions and disciplines. The Sabbatical Mentor makes concrete the planning, execution, and follow-up necessary for successful sabbaticals. By breaking the process into logical and manageable segments, the author demystifies it and thereby encourages individuals to participate in this unique, enjoyable and professionally rewarding benefit of academic life. --- from book's back cover

From reader reviews:

Robert Jenkins:

In this 21st century, people become competitive in every single way. By being competitive at this point, people have to do something to make themselves survive, being in the middle of the crowded place and notice through surrounding. One thing that oftentimes many people have underestimated the item for a while is reading. Sure, by reading a book your ability to survive enhances then having a chance to endure than others is high. For you personally who want to start reading a book, we give you this *The Sabbatical Mentor: A Practical Guide to Successful Sabbaticals* book as a beginner and daily reading reserve. Why, because this book is more than just a book.

John Jonas:

Does one of the book lovers? If yes, do you ever feel doubt when you find yourself in the book store? Try to pick one book that you find out the inside because don't judge a book by its cover may not work this is a difficult job because you are scared that the inside maybe not because fantastic as in the outside appears. Maybe your answer may be *The Sabbatical Mentor: A Practical Guide to Successful Sabbaticals* why because the great cover that makes you consider in regards to the content will not disappoint you. The inside or content is fantastic as the outside or even cover. Your reading sixth sense will directly direct you to pick up this book.

Kevin Masterson:

Are you kind of an active person, only have 10 or even 15 minutes in your day to upgrading your mind ability or thinking skill perhaps analytical thinking? Then you are experiencing a problem with the book in comparison with can't satisfy your short space of time to read it because pretty much everything you only find e-books that need more time to go through. *The Sabbatical Mentor: A Practical Guide to Successful Sabbaticals* can be your answer since it can be read by a person who has those short free time problems.

Walter Pyle:

In this age of globalization it is important to someone to receive information. The information will make professionals understand the condition of the world. The condition of the world makes the information better to share. You can find a lot of sources to get information example: internet, classifieds, book, and soon. You will see that now, a lot of publishers print many kinds of books. Often the book that is recommended for your requirements is *The Sabbatical Mentor: A Practical Guide to Successful Sabbaticals* this reserve consists a lot of the information with the condition of this world now. That book was represented how the world has grown up. The vocabulary styles that the writer makes use of to explain it is easy to understand. The writer made some study when he made this book. That is why this book is acceptable all of you.
