## The Simpsons: A Complete Guide to Our Favorite Family Matt Groening

It's hard to believe that the Simpsons have been around for more than a decade. Today, *The Simpsons* is the longest-running animated series of all time (dethroning *The Flintstones* in February 1997), and an intrinsic part of pop culture.

The Simpsons *Complete Guide to your Favourite Show* is a celebration of this family's phenomenal decade. Arranged by season, the book covers each episode of the television show, with the special episodes (the annual Halloween show, "Who Shot Mr. Burns?" and "Krusty Gets Kancelled") receiving eyeball-busting two-page spreads. In addition, special sidebars are sprinkled throughout, showing:

- Simpsons firsts
- Bart's chalkboard lines
- Top Homerisms
- An Itchy & Scratchy filmography
- A Springfield timeline
- Things the audience may have missed

Highlighting the best of every show, *The Simpsons* is the ultimate celebration of the cartoon family that has kept the world in stitches. It is the ultimate must-have for all Simpsons aficionados.
