While the world taps its feet, Ethiopia breakdances with its shoulders. This is an uplifting, inspirational country which confounds expectations. It's no featureless desert but a land of majestic landscapes surrounding a vast, fertile plateau. The rock-hewn churches in its medieval capital, Lalibela, are regarded by many as the eighth wonder of the world. Its people are welcoming, proud and besotted by their own culture and history. Bradt's *Ethiopia* is the most thorough guide available to this country rich in culture, history and dramatic scenery, and has been highly praised by both travel press and readers.

'Thorough and reassuring, it provides all the practical and background information to make readers leap from their armchairs and visit this vast, magical country'

The Daily Telegraph (UK)
