Founded in 1906 by J.M. Dent, the Everyman Library has always tried to make the best books ever written available to the greatest number of people at the lowest possible price. Unique editorial features that help Everyman Paperback Classics stand out from the crowd include: a leading scholar or literary critic's introduction to the text, a biography of the author, a chronology of her or his life and times, a historical selection of criticism, and a concise plot summary. Each Everyman title offers these extensive materials at a price that competes with the most inexpensive editions on the market-but Everyman Paperbacks have durable binding, quality paper, and the highest editorial and scholarly standards.
