Turn off your screen -- your smartphone, tablet, or television -- and instead join family and friends in group games which can add energy, laughter, and bonding to any group. "Life Is a Game" offers hundreds of proven games for families, co-workers, and friends. Game categories include Social Mixers, Big Group, Parent/Child, Teenagers, Around a Table, Traveling, Kids 6-12, and Outdoors. Each game includes a description, along with illustrations or personal testimonials. The book was created during a long family trip contest to see who could name more group games. That list became a successful Kickstarter campaign in Summer 2013, which raised over \$6,000. Three generations of the family helped create, including grandma, two college kids, a 12 year old, and their fun-loving parents.
