## **The Challenge of Islam to Christians (Hodder Christian Books) David Pawson**

The Challenge of Islam to Christians is David Pawson's most important - and most controversial - prophetic message to date. Moral decline and erosion of a sense of ultimate truth has created a spiritual vacuum in the United Kingdom. David Pawson believes Islam is far better equipped than the Church to move into that gap and it will not be long before it becomes the country's dominant religion.

Based on the audio and video recordings on which he first announced his message, this book unpacks and explains the background behind Pawson's claims, and - crucially - sets out a positive blueprint for the Church's response. Christians must rediscover and demonstrate to society the three qualities that make Christianity unique: Reality, Relationship and Righteousness.
