In collaboration with EON Productions, this trade edition of The James Bond Archives includes all the same stunning imagery and **behind-the-scenes knowledge** as the original XL book, just with a smaller format and a softer price-tag. The result is an affordable, **compact yet comprehensive record of every single Bond film ever made**, beginning with *Dr. No* (1962) and ending with *Spectre* (2015).

The wealth of on-set photos, unseen stills, set designs, storyboards, production memos, is supplemented by an **oral history recounted by over 150 cast and crew members**. From producers to stuntmen, directors to production designers, these **personal narratives relate the true, inside story from the Bond sets**, offering outstanding insight into the personalities and processes behind **the most successful and longest-running film franchise in cinema history**.
