Vietnam: No Regrets: One Soldier's "Tour of Duty" J. Richard Watkins

“In the 30+ years since its conclusion, countless volumes have been crafted regarding the Vietnam War – not to mention movies, television specials, and documentaries. Most of the written and visual media have done a commendable job of exploring the logistical blunders and other revealing aspects of the war itself; however, very few of them have given Vietnam the same empathic human touch as “Saving Private Ryan” so famously did for World War II. Throughout the pages of Vietnam: No Regrets, author and Vietnam veteran J. Richard Watkins steps directly in the gap and fills that void in standout fashion. A heart-wrenching memoir recounted in an unfiltered, no-holds-barred manner, Vietnam: No Regrets takes the reader straight into the heart of one of the most controversial extended episodes in our nation’s history, painting the gruesome conflict in a graphic, vivid light – undeniably real and raw.
