100 Scotsman Walks Robin Howie

Hillwalking is a way of life for Robin Howie, whose name is very well-known in Scottish hillwalking circles and whose knowledge of the Scottish high tops is second to none. For over ten years his popular weekly hillwalking column has appeared in *The Scotsman*, where his pleasure of walking in the hills is apparent to the reader. Some claim to buy the paper solely to read his column while others have long-demanded that his walks be made into a book. Generous with his help and advice to other walkers, this collection of shorter, lower-level walks will appeal to families and those less sure of venturing to the high tops. Conveniently arranged within shires with a location map, each walk has a useful fact-file that summarises the map, start point, distance, terrain, duration of walk, height to be climbed and the all-important nearest refreshment point. *100 Scotsman Walks* is a distillation of a lifetime of highs and lows, enhanced by the artist's eye and the wordsmith's descriptive powers. It will be a delight for active or ex-walkers, for the would-be explorer or armchair enthusiast, for the whole family, young or old – a book in fact for everyone.
