Welcome to the amazing world of Crochet! As some of you know from my other books, this has been a passion of mine for more than 15 years, and I'm thrilled that you will allow me to help you learn this beautiful art form. The purpose of the book is to teach you the basics of crochet stitches and patterns. With this book and a bit of patience, you will be able to create beautiful, interesting and useful products that are real pieces of art.

This book is a complete step-by-step guide to help you get started. All the needed information will be given to you; from choosing your crochet hook to finishing off a beautiful rainbow colored bag for a sunny day. Also included are 10 beautiful crochet projects, so you can kick-start the learning process! These projects include pictures and a detailed step by step method to assist beginners in their quest to master the art!

Crochet is such a part of our everyday life, that we take it for granted! More than ever before, crocheting and knitting are extremely popular and in fashion. "Yarn bombing" or "urban knitting" is a new way to express art using knitting or crocheting to decorate towns. Many celebrities are now practicing knitting or crocheting (or both), and there are bars and pubs all over the world dedicated to people passionate about this hobby.

This book will guide you through what you need to know to get started on this very traditional craft that will last you for a lifetime. You will see that in a couple of years, you will have a large collection of patterns to share with family and friends.
