Don't Let Him Know Sandip Roy

In a boxy apartment building in an American university town, Romola Mitra, a newly arrived young bride, anxiously awaits her first letter from home in India. When she accidentally opens the wrong letter, it changes her life. Decades later, her son Amit finds that letter and thinks he has discovered his mother's secret. But secrets have their own secrets sometimes, and a way of following their keepers. Amit does not know that Avinash, his dependable and devoted father, lurks on gay Internet groups at times, unable to set aside his lifelong attraction to men. Avinash has no idea that his dutiful wife had once romanced a dashing Bengali filmstar, whose memory she keeps tucked away in a diary amongst her silk saris. Growing up in Calcutta, in a house bustling with feisty grandmothers, Amit has been shielded from his parents' secrets. A successful computer engineer, he settles in San Francisco, torn between his new life and his duties towards the one he has left behind. Moving from adolescent rooftop games to adult encounters in gay bars, from hair salons in Calcutta to McDonald's drive-thrus in California, *Don't Let Him Know* is an unforgettable story about family, the struggle between having what we want and doing what we feel we must - and the sacrifices we make for those we love. Tender, powerful, and beautifully told, *Don't Let Him Know* marks the arrival of a brave new voice.

Annetta Doucette:

As a scholar exactly feel bored in order to reading. If their teacher requested them to go to the library or even make summary for some publication, they are complained. Just little students that has reading's spirit or real their interest. They just do what the teacher want, like asked to go to the library. They go to there but nothing reading seriously. Any students feel that looking at is not important, boring and can't see colorful images on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore , this Don't Let Him Know can make you sense more interested to read.

Christine Brooks:

Publication is one of source of knowledge. We can add our knowledge from it. Not only for students but also native or citizen will need book to know the revise information of year to help year. As we know those ebooks have many advantages. Beside we add our knowledge, could also bring us to around the world. From the book Don't Let Him Know we can take more advantage. Don't you to be creative people? To get creative person must like to read a book. Just choose the best book that acceptable with your aim. Don't become doubt to change your life by this book Don't Let Him Know. You can more appealing than now.
