The Antichrist Is Here: And The World Must Prepare Daniel Michael Giovanni

IS THE WORLD LISTENING... For 175 years Heaven has been sending warnings to the world of the consequences for turning our backs on God. Are we heeding those warnings or ignoring them, confident to obstinately push aside the hand of God to grab instead the deceptive hand of human progress? 1846, La Salette, France: "Rome will lose the faith and become the seat of the Antichrist." 1917, Fatima, Portugal: "If my requests are heeded, Russia will be converted, and there will be peace; if not, she will spread her errors throughout the world, causing wars and persecutions of the Church. The good will be martyred; the Holy Father will have much to suffer; various nations will be annihilated. In the end, my Immaculate Heart will triumph. The Holy Father will consecrate Russia to me, and she shall be converted, and a period of peace will be granted to the world." Written in the form of a story, "The Antichrist Is Here" incredibly reveals the actual identity of the Antichrist and explains how he will wreak havoc on God's children. It follows the lives of two sisters who find an obscure journal while on vacation with their family that takes them on a journey of discovery, leading them unexpectedly face to face with the one the book of Revelation refers to as "the beast".
