What We Say Matters: Practicing Nonviolent Communication Judith Hanson Lasater Ph.D., Ike K. Lasater

For yoga teacher Judith Hanson Lasater and her husband, mediator Ike K. Lasater, language is a spiritual practice based on giving and receiving with compassion. In *What We Say Matters*, they offer new and nurturing ways of communicating. Long-term students of yoga and Buddhism, the authors here blend the yoga principle of *satya* (truth) and the Buddhist precept of right speech with Marshall Rosenberg's groundbreaking techniques of Nonviolent Communication (NVC) in a fresh formula for promoting peace at home, at work, and in the world. The authors offer practical exercises to help readers in any field learn to diffuse anger; make requests rather than demands or assign blame; understand the difference between feelings and needs; recognize how they strategize to get needs met; choose connection over conflict; and extend empathy to themselves and others.
