I Hate School Jeanne Willis

A hilarious picture book about the joys of school from the top class team, Jeanne Willis and Tony Ross.

Honor Brown cannot find a good word to say about her school despite much prompting. She insists that her teacher is a warty toad, the water tray has killer sharks in it, and even her friends are loathsome. But when the time comes to move on to “Big School,” she sits in the corner and sobs! Maybe it wasn’t so bad after all.

Warner Gomez:

As a pupil exactly feel bored to help reading. If their teacher requested them to go to the library or even make summary for some book, they are complained. Just very little students that has reading's internal or real their pastime. They just do what the educator want, like asked to go to the library. They go to presently there but nothing reading critically. Any students feel that reading through is not important, boring and also can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this I Hate School can make you feel more interested to read.
