## The Black Beach (Vassar Miller Prize in Poetry) J. T. Barbarese

The poems of *The Black Beach* describe everyday acts like putting children to bed, coaching Little League, and sending a daughter to school, but brood over what may be behind the everyday and how to reach it and talk to it. Faith ebbs and flows like the tide on a “black beach of heaven,” while these poems maintain skepticism, denying transcendence beyond what is available through love, the senses, and experience.
