Max Trendle and Sean Dennison were badly burned emotionally by a woman in their past. But Cali's not that woman. The two BDSM implement makers ask Cali to move in with them and soon have more on their minds than her helping them grow their business. They want Cali.

After losing what she thought was a sure-fire challenge, Cali quickly realizes sharing a bed with the two cuties isn't a hardship. She wants to help them build their business, even if it means her cat becomes an Internet sensation.
