The army of the Alliance is marching through the forces of the evil Emperor of Ellala'lysana like a sharp blade through meat. The evil Half Litch Emperor Ellandra Mashara has but one choice. To send a party of his mightiest warriors, priests, mages and assassins to seek the legendary Crown of the Lost Gods, an artifact which bestows the power to control the minds of millions to its wearer. But the Goddess Arathonia has dispatched the former Wehrmacht Colonel Kurt von Mannerheim, her Immortal champion on the planet, along with a party of mighty companions, to prevent the Emperor from getting his hands on the artifact. If the Emperor gets his hands on the Crown, the war is lost, despite the military victories. Can the man who once faced the Russian hordes for an evil leader, now face the forces of the North in service to good? Or will Refuge enter a new dark age, one from which it will never awake?
