[Siren Everlasting Classic ManLove: Erotic Alternative Futuristic Paranormal Romance, M/M, werewolves, shape-shifters, HEA] Conner Abbot is the youngest, and weakest, of many brothers. A runt and an omega, he is unable to hunt after a dragon attack left him scarred. Though he's worthless to his family, he knows they love him, and he loves them. Which is why Conner volunteers to mate to a dragon for peace, rather than watch one of his brothers be taken away. Aris Macleod, high dragon of his clan, wasn't happy with the arrangement. Peace is more important than his happiness, however, and he will go through with the mating, even when the wolves insult him by sending him a weak omega. Aris is stunned when the frail omega has some bite in him, and as he slowly finds himself falling in love, he comes to the terrible realization that Conner may never love him back, and the only way to make his true love happy will be to send him back where he came from. ** A Siren Erotic Romance
