A Dance Worth Dancing (Tactical Men Series) JL Long

WARNING: This book contains situations not suitable for all readers. This includes vulgar language.

Love is a strange thing. It can heal, it can hurt and it can be astonishing. For Rori and Colt, it's a mixture of all of these things.

Rori is a single mom who is looking for love in all the wrong places. Until one fateful night her hero comes to her without her even knowing it. She has too much at stake to risk a dance on the wild side.

Colt isn't the type to settle down. He's been there done that and was left high and dry. Colt's just surviving by throwing himself into his work on SWAT and living the simple bachelor life with his dog Tank. Or at least it was simple, before Colt's greatest demons come crawling to the surface.

Can they pull through when it seems like the universe is doing everything in its power to pull them apart?
Can love really conquer all?

I tried to stay away from her.
No woman wants a damaged man.

The man you see is not the man I am.
You can't see my scars; I wear them within.
You can't see the torment that I live with every day.
I never thought I would find anyone or anything to help disperse the pain I deal with every day.
Until her...
She took my hand and showed me the light.
A light so goddamn bright; it was intoxicating and I couldn't get enough of her.
But, just as fast as she took my hand...
She let me go.

He walked into my life and wanted to stay.
The most beautiful man I have ever seen.
But...
He was broken and keeping his torture hidden.
Battling his demons on his own.
I wanted to save him.
I wanted to be the one that made him whole again.
I had to make a decision.
A choice that would change my world forever.
