Blind Spot: A Novel Terri Persons

Introducing a heroine unlike any other.

FBI Agent Bernadette Saint Clare's gift of sight allows her to see things others can't. But some things are better left unseen.

The FBI has never known quite what to do with Agent Saint Clare. Shortly after she's placed at a desk in the basement of the off-site St. Paul office, bodies begin to appear along the sandy banks of the Mississippi. Soon she's called on to do what she does best: use personal effects found at a crime scene to see through a killer's eyes.

The agent in charge of this case, Tony Garcia, is unsure if he should follow her lead, and the tension between them makes for an uneasy alliance. Complicating matters still further, Bernadette becomes involved with her new neighbor.

An absorbing novel filled with quirky characters on the right and wrong sides of the law, *Blind Spot* reminds us that life is filled with leaps of faith, both great and small.
