Many of North America's most beloved regions are artfully celebrated in these board books designed to soothe children before bedtime while instilling an early appreciation for the continent's natural and cultural wonders. Each book stars a multicultural group of people visiting the featured area's attractions, and rhythmic language guides children through the passage of both a single day and the four seasons while saluting the iconic aspects of each place. Covering many of the country's most interesting places and features, including the Grand Canyon, the Redwood Forests, Niagara Falls, the Everglades, Golden Gate Bridge, desert lands, tropical beaches, city life, and much more, this book is a celebration of all things that make the United States a special place.
