Ryan James is crazy about computer games and obsessed with Minecraft. Sometimes he really wishes he could live in a world like Minecraft instead of with his boring family who do boring things like ALL THE TIME! In a moment of anger over his family's boring holiday plans, Ryan wishes a little too hard that he could be a zombie in Minecraft and the consequences are not quite what he was hoping for, and a little bit too scary for his liking. Will his wish of becoming a Minecraft zombie come true or does it all go a little crazy, and will he even get to spend Christmas day with his family after so desperately not wanting to. In another action-packed, deathly adventure, Ryan faces the prospect that he may never get to play Minecraft again, or any other computer game for that matter.
