Juliet Anne Fortier

När Julie Jacobs ärver en nyckel till ett bankfack i Italien kommer hon en fascinerande familjehemlighet på spåren. Kan det vara så att hon är släkt med Julia i världens mest kända kärlekstragedi? Så snart hon är i Siena påbörjar Julie sitt farofyllda äventyr. Hon finner ledtrådar som berättar att hennes döda mamma var släkt med en kvinna som hette Giulietta. Och mycket tyder på att Giulietta var den unga kvinna vars kärlekshistoria med Romeo skakade det medeltida Siena i sina grundvalar. I mötet med ättlingar till de rivaliserande familjerna i Shakespeares odödliga verk inser hon att den förbannelse som uttalas i dramat nu vilar över henne själv. Romeo är den ende som kan rädda henne - men var är han? When Julie Jacobs inherits a key to a safety-deposit box in Siena, Italy, she is told that it will lead her to an old family treasure. Soon she is launched on a winding and perilous journey into the history of her ancestor Giulietta, whose legendary love for a young man named Romeo rocked the foundations of medieval Siena. As Julie crosses paths with the descendants of the families immortalized in Shakespeare's unforgettable blood feud, she begins to realize that the notorious curse-"A plague on both your houses!"-is still at work, and that she is the next target. It seems that the only one who can save Julie from her fate is Romeo-but where is he?
