Philippians and Philemon (Paideia: Commentaries on the New Testament) Bruce W. Longenecker, James W. Thompson
New in the Acclaimed Paideia Commentary Series

Two respected senior New Testament scholars examine cultural context and theological meaning in Philippians and Philemon in this addition to the well-received Paideia series. Paideia commentaries explore how New Testament texts form Christian readers by attending to the ancient narrative and rhetorical strategies the text employs, showing how the text shapes theological convictions and moral habits, and making judicious use of maps, photos, and sidebars in a reader-friendly format. Students, pastors, and other readers will appreciate the historical, literary, and theological insight offered in this practical commentary.
