Straight Up Tasty: Meals, Memories, and Mouthfuls from My Travels Adam Richman

The much anticipated first cookbook from Adam Richman, the irrepressible host of *Man vs Food* and NBC's *Food Fighters*, delivers what his fans have been waiting for: a heaping helping of over-the-top flavors with a side order of the erudite humor that is his trademark.

Having eaten his way from coast to coast and around the globe, Adam Richman has learned more than a little bit about what makes food taste good. He draws on all that knowledge and his lifelong dedication to seeking out memorable flavors and eating experiences in this high octane collection of dishes that are, quite simply, straight up tasty.

The more than 100 diverse, dazzling, and downright delectable recipes reflect the flavor combinations, techniques, and ingredients Adam has encountered in his nonstop travels, all translated into easy-to-use recipes perfect for the home cook, and all given a distinctive Richman spin. But *Straight Up Tasty* is much more than a scrapbook of Adam's culinary expeditions; it offers the perfect foodie flavor bomb for every occasion from a crowd-pleasing spread for game day to a turbocharged holiday feast.

Along the way he holds forth on topics as diverse as where to encounter the nation's best burgers and why the best thing on a restaurant menu isn't always what you might think; delivers helpful advice on kitchen prep in haiku form; and recounts the history of chocolate in rhyming couplets. And did we mention Candied Bourbon Bacon? You'll find those delectable tidbits and oh so much more in *Straight Up Tasty*, a cookbook that could only have come from the passionate palate and irrepressible enthusiasm of America's ambassador of flavor, Adam Richman.

Silvia Smedley:

In this period of time globalization it is important to someone to obtain information. The information will make anyone to understand the condition of the world. The health of the world makes the information quicker to share. You can find a lot of personal references to get information example: internet, newspaper, book, and soon. You can observe that now, a lot of publisher in which print many kinds of book. Often the book that recommended for you is Straight Up Tasty: Meals, Memories, and Mouthfuls from My Travels this guide consist a lot of the information with the condition of this world now. This particular book was represented how does the world has grown up. The dialect styles that writer require to explain it is easy to understand. Often the writer made some exploration when he makes this book. Honestly, that is why this book acceptable all of you.

Richard Chambers:

As a student exactly feel bored in order to reading. If their teacher asked them to go to the library or to make summary for some reserve, they are complained. Just small students that has reading's heart and soul or real their passion. They just do what the trainer want, like asked to go to the library. They go to there but nothing reading really. Any students feel that reading through is not important, boring in addition to can't see colorful photos on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this Straight Up Tasty: Meals, Memories, and Mouthfuls from My Travels can make you sense more interested to read.
