The Mountains of the Moon Kathleen Duey

Heart has to find a safe haven for her beloved unicorns. With Lord Dunraven looking for them -- and Heart's friends aware that helping her will bring Dunraven's anger -- she has nowhere to turn. If only she knew where her family was -- or *who* they were. In a mysterious bundle of paper in Dunraven's castle Heart finds a drawing that looks like the design on her baby blanket. The paper is covered with tiny symbols. If she can find out what they mean will they unlock the secrets of the dreams that have been haunting her?

From reader reviews:

Troy Jones:

Do you have something that suits you such as book? The book lovers usually prefer to decide on book like comic, limited story and the biggest an example may be novel. Now, why not hoping The Mountains of the Moon that give your entertainment preference will be satisfied simply by reading this book. Reading addiction all over the world can be said as the opportunity for people to know world better then how they react when it comes to the world. It can't be explained constantly that reading habit only for the geeky man but for all of you who wants to be success person. So , for all you who want to start examining as your good habit, you may pick The Mountains of the Moon become your personal starter.

Harry Baxter:

Your reading sixth sense will not betray a person, why because this The Mountains of the Moon e-book written by well-known writer whose to say well how to make book which can be understand by anyone who else read the book. Written in good manner for you, still dripping wet every ideas and publishing skill only for eliminate your personal hunger then you still skepticism The Mountains of the Moon as good book but not only by the cover but also from the content. This is one guide that can break don't determine book by its handle, so do you still needing one more sixth sense to pick this!? Oh come on your reading through sixth sense already alerted you so why you have to listening to an additional sixth sense.

Brandy Godwin:

In this time globalization it is important to someone to find information. The information will make a professional understand the condition of the world. The healthiness of the world makes the information simpler to share. You can find a lot of recommendations to get information example: internet, newspaper, book, and soon. You can observe that now, a lot of publisher that will print many kinds of book. The book that recommended for you is The Mountains of the Moon this guide consist a lot of the information from the condition of this world now. This specific book was represented how can the world has grown up. The vocabulary styles that writer use to explain it is easy to understand. Typically the writer made some research when he makes this book. That is why this book appropriate all of you.

Susan Brooks:

Many people spending their moment by playing outside using friends, fun activity along with family or just watching TV all day every day. You can have new activity to pay your whole day by looking at a book. Ugh, do you think reading a book really can hard because you have to bring the book everywhere? It all right you can have the e-book, delivering everywhere you want in your Smart phone. Like The Mountains of the Moon which is keeping the e-book version. So , try out this book? Let's notice.
