## **Breathless/Deathless 2 Book Set (Blue Fire Saga 1)** Scott Prussing

This is a special 2 book edition combining Breathless and Deathless, the first two books in the Blue Fire Saga, a paranormal romance series set at a small college in present day Connecticut. There are currently seven books in the series. Book 1 has 181 5-star reviews!

Weston College freshman Leesa Nyland has been fascinated by vampires since she was three years old. That's when her mom started acting weird, insisting sunlight hurt her skin because she'd been bitten by a one-fanged vampire.

But fascinated doesn't mean Leesa believes. Any more than she believes in blue fire, people who live for centuries, and kisses that can kill. But when her beloved older brother suddenly disappears, she is forced to consider all these and more. She also has to figure out what to do about her mysterious new boyfriend. She knows Rave likes her a lot--so why won't he kiss her?

As Leesa draws closer to finding her brother, she faces some gut-wrenching decisions. Should she risk her mom's life trying to "cure" her? Should she continue seeing Rave, after he reveals his dangerous secret? And most terrifying of all, should she make the ultimate sacrifice-give up her humanity-to save her brother?
