Men, Women & Children: A Novel Chad Kultgen

The author of *The Average American Male* and *The Lie* returns with a shocking, salacious, and surprisingly subtle new novel of the average American family. Like Neil Strauss and Nick Hornby, Chad Kultgen has the capacity to enthrall and astonish even the most ardent readers of contemporary literary fiction. In *Men, Women, and Children*, his incisive vision, unerring prose, and red-light-district imagination are at their most ambitious and surprising, as he explores the sexual pressures of junior high school students and their parents navigating the internet's shared landscape of pornography, blogs, social networking, and its promise of opportunities, escapes, reinvented identities, and unexpected conflicts.
