## **The Macregol Gospels or The Rushworth Gospels: Edition of the Latin text with the Old English interlinear gloss transcribed from Oxford Bodleian Library, MS Auctarium D. 2. 19**

This work is composed of two parts. The first or introductory part, contains a palaeographical discussion about Bodleian Library, MS Auctarium D.2.19, that is to say, the MacRegol Gospels or the Rushworth Gospels, edited by Kenichi Tamoto, and which forms the second and main part of this book. The provenience of the MS, the Latin text, the use of the MS, and the Old English gloss are discussed in detail in the introductory part. The chief aim that the author set himself is firstly to survey preceding printed versions of the MS, such as Stevenson & Waring (1856-65) and W.W. Skeat (1871-87), and secondly to publish the complete edition of the MS with the whole Latin text interlineally glossed in Old English. This work will stimulate further research into the MS, in particular the comparative study of Old English glosses, such as those of the Lindisfarne Gospels.
