## **You Only Know My Name, Not My Story** April Glasco

We all have stories. Mine is really not that much different from anyone else. The difference is I choose to share them. During this journey, I had completed one assignment after another. I have reached and made it through my challenges, allowing now the blessings to follow to fulfill my purpose. The greatest gift I have given myself is to love myself and then enjoying doing things for myself.

This book explains the procedures, rules, and precautions to making your journey successful and helps manage mistakes and disappointments. I was called to serve and help others along this journey through sharing my story. By sharing, it will impact the lives of others in a positive way. Help others to improve their quality of life and learn to answer their calling and know their purpose. By internalizing the information in this book, many readers will have gained a greater understanding of life's purpose. It will be a privilege to those who answer their calling in order to experience it. For some facing the man in the mirror, it will cause a positive change and bring about a resetting of priorities. Make it clear to yourself to never be afraid of the depth of love toward another and provide every relationship with a dedication and a lot of effort response. This will cause demands on a high expectation to start a moment for the better in your life, without expecting demands or approval from another person that only knows your name but not your story.
