Reviving the legacy of the New Deal art projects—and perfectly timed with the centennial of the National Park Service in 2016—the Creative Action Network’s See America project is a crowd sourced art campaign that has so far produced more than 725 illustrations by over 200 artists from all 50 states celebrating the country’s national landmarks and treasured sites. The *See America! Calendar* highlights a dozen of the project’s most stunning designs: Majestic Yosemite Valley. The forested slopes of the Great Smoky Mountains. Sailboats drifting at the Cape Cod National Seashore. And a lone bison among the craggy peaks of Badlands National Park. Each month is an invitation to reconnect with the very soul of our nation.
