DISCLAIMER

If you're unable to suspend disbelief and escape to the Rockstar Land of Fiction, then this book probably isn't for you.

As with all the Rockstar books, this book contains mature content and is inappropriate for persons under 18 years of age.

I was twelve when I started crushing on him.

I was seventeen when I met him by chance and our connection was made.

Now here I am, twenty-three, and I'm one of the two actresses in the video for his band's latest single.

Jesse Kingston is a tall, dark, and gorgeous temptation I'm finding hard to resist.

It ends up not being as simple as doing a job and going home. It can't be when he continually makes his presence known with his not-so-innocent touches and sexy words. There is no avoiding him and after spending so much time with him, I'm not sure I want to.

So, when he proposes a weekend together, knowing I should say no, I throw caution to the wind and instead I say yes. I'm going to ignore the warning signs and do what I normally wouldn't--I'm going to give in to my desire I'm going to indulge my fantasies and give this sexy rocker what he wants and something he won't soon forget--me.

The only question is: Is one weekend going to be enough? Will our time end up changing this bad boy? Or will it end up changing me?
