**Music for Sight Singing** Thomas Benjamin, Michael E. Horvit, Robert S. Nelson

Freshman/sophomore music theory is an intimidating and highly technical course for beginning music majors; it may in fact be their first exposure to theory even after many years as performers. Students can become lost in detail and confused by text explanations. Most have difficulty applying theoretical concepts to music. Sight singing and ear training are crucial, related skills which students must develop at the same time as they are mastering theoretical concepts and material.
