Reel Transformation shows you how to use something you love to do—watching movies—to assist you in your own growth and transformation. From the beginning of time stories have been told to convey some deeper meaning. Jesus used parables to teach, and movies have become our modern day parables. In the parable of the Prodigal Son we find five stages of the transformational Hero's Journey: 1) Home in the Ordinary World, 2) The Call, 3) The Wilderness, 4) The Awakening, and 5) The Return Home. We find these stages again and again in movies of all genres. After reading Reel Transformation you will be able to watch movies with intention and recognize your life now playing in the characters you see on the screen. The next time you go to the movies get something more than popcorn; get transformed!
