“A book to inspire”

Good Housekeeping Magazine

When Susie Kelly decides, at the age of 50+, on a whim, to trek alone across France from La Rochelle to Lake Geneva in Switzerland, she entrusts her French farmhouse full of assorted animals to a total stranger from San Antonio, Texas. For each of them it is a life-changing experience. Both find their resourcefulness and ingenuity tested to the limit as, in their own ways, they explore and enjoy the culture, cuisine and people of Europe's most fascinating country.

While Susie doggedly tramps 500 miles over unknown terrain, frequently lost and either too hot or too cold, Texan Jennifer Shields copes heroically with lost dogs, erratic electricity, old men hiding in bushes, and a language she cannot speak.

With detailed map links, chapter x chapter Follow Susie's journey online as you read.

A touching, true story of English eccentricity, the Texan pioneering spirit, and two women old enough to know better.
