Never Tear Us Apart Monica Murphy

Perfect for readers of Colleen Hoover, Jay Crownover, and K. A. Tucker, the first novel in this darkly sexy contemporary series from bestselling author Monica Murphy kicks off an emotionally powerful two-part tale of forbidden love.

Crazy how eight years can disappear in an instant. One look at Katie Watts, and I'm a fifteen-year-old again--the one who risked everything to save a terrified girl from her twisted kidnapper. She's grown-up now--beautiful, quiet, composed--and telling her story to the world. A story that involves me in more ways than you can imagine. She used to call me her guardian angel. Sure, I risked my life, but she was worth dying for.

I need to make contact with her. Just to ensure that she's safe.

Somehow we reconnect. We become friends . . . but I want more. I want to make her mine. And she wants me too. Does she know who I am? Has she figured me out? Not yet. But she will. In the meantime, I need to make sure that whatever hold that animal had on her is gone.

So, yeah, I'm stealing these moments with her. Savoring them. Knowing, dreading, that she'll soon find out who I really am. And everything *will* fall apart. All because of that twisted, perverted monster sitting on death row. Her kidnapper. A convicted serial killer.

My father.
